California Regional Water Quality Control Board  
Central Valley region  
Pamela C. Creedon, Executive Officer  
11020 Sun Center Drive #200,  
Rancho Cordova, California 95670-6114

Ms. Creedon,

Rubicon Jeep Trail Abatement Order.

I am a citizen of El Dorado County and I want to congratulate you and your staff on the draft abatement order for the Rubicon Trail. This is the best decision possible.

You will probably receive thousands of letters contesting this from off-roaders. But stand fast.

El Dorado County may have a tough time implementing this action given the current shortage of funds. But I am delighted that something will finally be done about this blight on the landscape.

Thank you,

Annie Walker  
Consulting botanist
